

Our Online Privacy Policy

As your privacy is important to us, we've provided the following notice so that you can learn more about the ways we use, collect and protect your personal data. The online privacy policy applies only to information collected through our website and not to information collected offline.

What information do we collect?

We collect information when you fill out your event registration, including your name, email, address, phone number, date of birth, and NRIC, blood type and emergency contact details.

What will your information be used for?

Any of the information collected may be used to customize our services, improve our website, send periodic updates about Boost & Slide and/or promotional material about new products and services via Email, Text Message and Phone Calls, conduct surveys and/or contests, or other site features. We may also release information when we believe release is appropriate to comply with the law, enforce site policies, or protect ours or others rights, property, or safety. Non-personally identifiable information may be provided to other parties for marketing, advertising, or other uses.

Information such as NRIC details, blood type and emergency contact details are collected for the purpose of event administration in relation to the Event. This **will only be shared with those affiliated with processing the transaction.**

Will my information be shared with Third Parties?

Your personal details will not be sold to outside affiliates. However, we reserve the right to disclose your personal data to our third party service providers (including government or regulatory authorities, third party service providers managing data from this website, lawyers, and/or agents), who may disclose your personal data to their third party service providers.

How do we protect your information?

We implement a variety of security measures to maintain the safety of your personal information, including the use of secure servers that prevent the unauthorized access, collection and use of your personal data. In line with the Personal Data Protection Act of Singapore, you may choose to opt out of receiving marketing-related messages from Ape Works Pte Ltd, its sponsors, business-partners, subsidiaries and affiliates. You can do so by clicking "Unsubscribe" at the bottom of our emails.

Consent

By using our site and submitting your sign-up details, you hereby consent to the online privacy policy as stated above.
